Beginning January 1, 2012 FURA dues will be \$12.00 a year. If you subscribe to the VSP program your monthly dues (\$1.00) becomes part of your CALSTRS deduction and comes directly to FURA. If you do not enroll in the vision program continue to send dues/donation of \$12.00 per year or \$100.00 for ten years. In the future a challenge to FURA by FUSD may result in a cry for HELP and solicitations for additional donations.

Make your check payable to FURA and become a member. Join your fellow retirees in protecting your vested health benefits.
