

VSP by FURA

The program started on December 1, 2011 for CalSTRS retirees. As of December 1, 2013 VSP is available for CalPERS retirees.

Look at your retirement warrant from CalSTRS/CalPERS. If there is a deduction for FURA, you are ready to make appointments with your eye doctor. Be sure the deduction is the amount you expect.

There is no membership card for VSP. We have the "Choice" plan. When you arrive at the doctor's office, provide them with your name and tell them you have VSP insurance. They will look it up on their computer.

We are still accepting new applications. If you wish to participate, download our forms and mail to PO Box 2386 Clovis CA 93613.

When you send in the applications, the start date will be the month following CalSTRS/CalPERS acceptance of your information. You will be contacted by me and given the effective date of your coverage. Also, look for the deduction on your CalSTRS/CalPERS check.

Please contact Walter Franzell if you have any questions (email is preferred).

Sincerely,

Walter Franzell, Benefits Associates, LLC
